

## Dr Bob Cannon OAM and Dr Jean Cannon – Snowdome Foundation Myeloma Travel Grants 2022

The Snowdome Foundation and HSANZ are pleased to call for applications for up to two (2) travel grants to be taken in 2023. Each travel grant will have a maximum value of \$2,500.

The Dr Bob Cannon OAM and Dr Jean Cannon - Snowdome Foundation Myeloma Travel Grants are designed to assist Haematology Trainees and Haematology Nurses working and researching in the field of Myeloma to attend a scientific meeting. A maximum of two grants will be awarded. Applicants are requested to submit an abstract to the Blood meeting [www.blood2022.com](http://www.blood2022.com) (Abstracts close 18 May 2022) Applicants must be HSANZ members or have applied to be members before submission of Abstract. (Membership application forms are available on the HSANZ website [www.hsanz.org.au](http://www.hsanz.org.au) click APPLY)

- Myeloma Haematology Trainee Travel Grant
- Myeloma Nurse International Travel Grant

### Eligibility

1. Open to Australian and New Zealand residents
2. A member of the Haematology Society of Australia and New Zealand
3. Applicants must be supported by their line manager to obtain leave to attend a national or international scientific meeting of their choice in 2023
4. Acknowledge Snowdome Foundation and HSANZ as a funding source in publications and/or presentation during travel
5. Willing to provide a post conference report to the Snowdome Foundation and HSANZ
6. Willing to present a report to the membership of HSANZ post travel

### Application process

1. Applications must be accompanied by all relevant documentation
2. Applications must be submitted in full by **10 July 2022**
3. Incomplete or late applications will not be considered
4. Applications will be subject to review by a committee comprised of the HSANZ Council
5. The Snowdome Foundation and HSANZ reserves the right to not award the travel grants

Successful applicants will be required to submit a brief 250-word post-conference report summarising:

- How funding has been used to further myeloma research; and
- How use of the travel grant has supported researcher career development.

The report should be sent as a .pdf or .docx file and submitted no later than 4 weeks post conference to Grants Snowdome <[joanne@snowdome.org.au](mailto:joanne@snowdome.org.au)>.

# Dr Bob Cannon OAM and Dr Jean Cannon – Snowdome Foundation Myeloma Travel Grants 2021
