

HSANZ New Investigator PhD Scholarship for 2022

The Haematology Society of Australia and New Zealand (HSANZ) Council is pleased to call for applications for the **HSANZ New Investigator PhD Scholarships** to be taken up in 2022.

This **HSANZ** funded PhD Scholarship is available to applicants who are medical, nurse or science graduates.

This year HSANZ is offering doctoral funding for either:

- a suitable project from a New Zealand applicant, **OR**
- a high-quality application in non-malignant haematology

HSANZ New Investigator PhD Scholarship will:

1. Provide total funding of no more than **\$130,000** comprising a stipend of \$42,000 per annum and final payment of \$4,000 on receipt of final report
2. Continue to fund PhD Scholarship awarded until completion of the PhD for no more than three years of full-time study
3. Be dependent on submission of the required annual report to HSANZ

Eligibility

1. Australian or New Zealand citizens or residents
2. An Ordinary, Associate, Associate Nurse or Trainee member of HSANZ
3. Able to start the PhD in 2022
4. Willing to present a report to the membership of HSANZ at the National Scientific Meeting: Blood during or just after the completion of their PhD studies
5. Provide progress reports to HSANZ annually
6. Applicants may only receive one PhD scholarship or Clinical Fellowship during their lifetime
7. Recipients may not use this scholarship in conjunction with any other scholarship, whether from HSANZ or any other benefactor, Government or otherwise. If the applicant accepts another PhD Scholarship to run concurrently with the HSANZ Scholarship, the HSANZ Scholarship will be discontinued

Applications must contain:

- Name, phone number, email, name of Project, proposed Institution
- Research Proposal (5 pages maximum including references)
- CV of the applicant (3 pages maximum)
- Statement of how the proposed research project directly relates to the aims and objectives of the Haematology Society of Australia and New Zealand (1 page maximum)
- Written reference from a referee familiar with the applicant's recent work history (1 page maximum)

HSANZ New Investigator PhD Scholarship for 2022

- Research supervisor report to confirm laboratory support for the research proposal. The report should also comment on the suitability of the applicant for the proposed project and likelihood for successful completion of the project within the proposed time period.

Application Procedure

1. Applications must be accompanied by all relevant documentation as above
2. Applications must be submitted in full by **midnight Sunday 11 July 2021**
3. Applicants will submit one electronic (pdf) copy of their scholarship application emailed to HSANZ Office.
4. Incomplete or late applications will not be considered
5. Applications will be subject to review by the HSANZ Council
6. The outcome of applications will be announced mid-August 2021
7. HSANZ reserves the right to not award this scholarship.

Applications Close

Sunday 11 July 2021 at 11.59pm

Submitting Electronic (pdf) Applications

Electronic applications, along with all supporting documents should be submitted as a word document and a single pdf.

The pdf should be named *HSANZ PhD2022 [FamilyName First name]* and submitted by email, to HSANZ at: admin@hsanz.org.au
