

The Haematology Society of Australia and New Zealand (HSANZ) Council will fund an **HSANZ PhD Scholarship** to an outstanding applicant who is a medical, nurse or science graduate seeking stipend funding for either:

- a high-quality project from a New Zealand applicant, **OR**
- a high-quality application in non-malignant haematology

In alignment with the Aims of HSANZ

### HSANZ New Investigator PhD Scholarship will:

1. Provide total funding of no more than **\$130,000** comprising:
  - a. a stipend of \$40,333 per annum, including;
  - b. a consumable budget of up to \$3,000 per annum.
2. Continue to fund each PhD Scholarship awarded until completion of the PhD for no more than three years of full-time study.
3. Be dependent on submission of the required annual report to HSANZ

### Eligibility

1. Australian or New Zealand residents
2. A member of HSANZ
3. Able to start the PhD in 2021
4. Be willing to present a report to the membership of HSANZ at the National Scientific Meeting: Blood during or just after the completion of their PhD studies
5. Provide progress reports to HSANZ annually
6. Applicants may only receive one PhD scholarship or Clinical Fellowship from HSANZ during their lifetime
7. Recipients may not use this Scholarship in conjunction with any other scholarship, whether from HSANZ or any other benefactor, Government or otherwise.

### Applications must contain a:

- Research Proposal (5 pages maximum including references)
- CV of the applicant (3 pages maximum)
- Statement of how the proposed research project directly relates to the aims and objectives of the Haematology Society of Australia and New Zealand (1 page maximum)
- Written reference from a referee familiar with the applicant's recent work history (1 page maximum)
- Research supervisor report to confirm laboratory support for the research proposal. The report should also comment on the suitability of the applicant for the proposed project and likelihood for successful completion of the project within the proposed time period
